

“I realize that the reason I’m even able to be at Dartmouth is because of the incredible generosity and selflessness of donors like you...Your support has made it possible for me, and many others, to have an incredible college experience.”

—Financial Aid Recipient, Class of 2024

Gifts of any size to the Dartmouth College Fund make a difference. In fiscal year 2022:

- all these gifts totaled \$5.7 million, or the equivalent of 114 student scholarships
- the average of these gifts was \$273

Why Participate?

- **It enhances the value of your degree**

U.S. News & World Report considers alumni participation to be an indicator of alumni satisfaction with their educational experience. They use alumni participation as a metric in their annual “Best Colleges” ranking of colleges and universities.

- **It increases financial resources available for Dartmouth and her students**

Foundations and corporations also consider alumni participation when deliberating grants. Their rationale is “if alumni do not support the college, why should we?”

- **It supports Dartmouth’s bond rating and translates to benefits for students**

Like most colleges, Dartmouth issues bonds for large projects, such as the construction of new residence halls. Dartmouth currently enjoys Aa1/AA+ (Moody’s/S&P) bond ratings. Rating companies consider alumni participation and philanthropy when annually re-evaluating the ratings. Dartmouth’s bond rating affects the interest rate the College pays to borrow money.
